

A European Network

**PRESS RELEASE – Berlin, February 15 2007**

**C.R.C. - Capital Regions for Cinema boosts European co-productions**

Great buzz at the two co-production events of the European network of Capital Regions for Cinema (CRC) during this year's Berlinale (8-18 February 2007). This is the sixth time that film makers and production companies from the four capital regions: Paris/Ile de France, Madrid, Rome/Lazio and Berlin-Brandenburg met within the CRC context which provides a valuable platform to find partners for future projects.

More than 80 producers attended the packed networking event:

- 27 French producers (Forecast Pictures, Les Films d'Ici, Back Up Films; TS Production...)
- 25 German Producers (Razor Film, Flying Moon, Animation X and X Filme, and Zero Fiction and Zero One)
- 22 Italian Producers (Cattleya, Ager 3, Indigofilm, Sintra)
- 7 Spanish Producers (Abaco Movies, Ashtarte Producciones, Muac Films, Videokine)

The next co-production event of the CRC network will take place at Cannes International Film Festival (16-27 May) over three days (21-23 May).

The Berlinale 2007 also provided the framework for a meeting of the political representatives of these four European capital regions: Corinne Rufet (Region Ile de France Film), Giulia Rodano (Regione Lazio) and Santiago Fisas (Comunidad de Madrid), Erhard Thomas (Brandenburg) to discuss the creation of the common support fund for European co-productions.
